Real Nappy Incentive Scheme – Gloucestershire

Gloucestershire County Council and the Real Nappy Project are working together to offer you **£30 off the initial cost of using real nappies** for your child. At the moment the scheme is limited by budget and will be available on a first come first served basis.

Application criteria:

- You must be a **resident of Gloucestershire** (defined by post-code).
- You may only make **one application per household** (unless you have twins).
- Your baby must be **less than 24 months old**.
- You must **commit to spending at least £50 on real nappies** at one time.
- You may buy real nappies from local retailers/suppliers or via Internet suppliers.
- The nappies must be new and not second-hand - **you need to provide receipt(s)**.
- You need to be willing to be contacted a few months after you start using your nappies so that we can evaluate the effectiveness of the scheme.

What happens next?

1. You send us a **photocopy of your MAT B1** or your **baby's birth certificate** as proof of eligibility, with the completed form below. Please also confirm on the form that you are happy to receive your £30 reimbursement payment by bank transfer (BACS).
2. You will then receive a numbered voucher from us.
3. Once you have purchased the nappies, you will need to complete the voucher and send it back to us with a copy of an **itemised receipt – listing your real nappy purchases totalling at least £50**.
4. **Or** you can send all three at the same time (application form filled in, photocopy of MAT B1 or baby's birth certificate and your receipt), followed by step 5.
5. You will be reimbursed your £30 within 28 days of us receiving your completed voucher and receipt.
